Fire Prevention Week

A MESSAGE FROM BURGAW FIRE DEPARTMENT

This year's National Fire Protection Administration (NFPA®) Fire Prevention Week focuses on you understanding the various sounds your smoke and carbon monoxide (CO) detectors make. We at the Burgaw Fire Department support this and we also encourage you to incorporate that knowledge to enable you to remain vigilant in keeping your home as fire safe as possible. In addition to having working and updated detectors, you should:

- Have and practice a family escape plan to include knowing two ways out of each room and designated outside meeting place
- Unplug appliances such as toasters or toaster ovens when not in use
- Keep a working, easy to reach, up to date extinguisher near your kitchen
- Post emergency numbers including 911 and ensure children who are school age understand how to call for help

For more information regarding fire safety and this year's Fire Prevention Week campaign, "Learn the Sounds of Fire Safety," visit nfpa.org. There's also fun fire safety games and activities with Sparky for your children, as well!
